

Michael Bublé (Michael Buble), Anyone To Love

Another night, another drink
Another time to contemplate and think
Will I ever, ever have anyone to love

It's not that I don't try
Maybe I try too hard
Seems like I'm living a lie
So there's a game I just won't learn
And I wonder will I always be alone
I take a sip and wonder
Why I haven't anyone to love

I guess I'll say goodnight
My drink's done and it's morning light
Sorry my friend but you see
What other ending could there be
And I wonder will I always be alone?
I take a drink and wonder
Will I ever have anyone to love?
