Michael Bublé (Michael Buble), I Wish You Love

I wish you bluebirds in the spring To give your heart a song to sing I wish you health And more than wealth I wish you love

And in July a lemonade To cool you in some leafy glade I wish you health And more than wealth I wish you love

My breaking heart and I agree That you and I could never be So with my best My very best I set you free

I wish you shelter from the storm And a cozy fire to keep you warm And most of all When snowflakes fall I wish you love
