

# Michael Franti, Is Love Enough?

We want freedom of speech  
but we all talkin' at the same time  
We say we want peace  
but nobody wants to change their own mind

(No they don't)

And So it goes on and on and on and on and on  
for a thousand years  
A thousand years I say  
And it goes on and on and on and on and on  
What language are your tears  
are your Tears

bup bup bup badup bup badup bup  
bup bup bup badup bup badup bup  
bup bup bup b..badup badup badup badup badup badup

Everybody wants to live the life of kings and queens  
but nobody wants to stay and plow the fields  
Everybody wants to tell their neighbors how to live  
but nobody wants to listen to how they feel

And So it goes on and on and on and on and on  
for a thousand years  
A thousand years I say  
And it goes on and on and on and on and on  
What language are your tears  
are your Tears

What I got to say right now  
is love enough, yeah  
love enough, yeah  
love enough  
or can you love some more  
is love enough, yeah  
love enough, yeah  
love enough  
or can you love some more  
is your love enough, (yeah)  
your love enough, yeah  
is your love enough  
or can you love some more  
is your love enough, yeah  
your love enough, (yeah)  
is your love enough  
Or tell me can you love some more

it goes on and on, on and on and on  
(uhh)  
for a thousand years I say..ay..ay..ay..ay..ay..ay..ay..ayayay  
And it goes on and on and on and on and on  
What language are your tears  
are your tears

Gentlemen

what mother nature gives  
mankind refuse to let live  
taking the universe in their own hand  
(a whisper??)  
short circuitin' the positive  
charging the negative  
causing the most unusual circumstances

every day we rise up  
(?and battle off?) and fight again  
hoping it guides our (eyes when??) we see our love (taken??)  
(oh yeah)  
blessed words we speak again  
lovely words to do my friend  
for us to live in (this dark??) garden of eden

So tell me  
is your love enough, yeah  
your love enough, yeah  
is your love enough  
or can you love some more  
is your love enough, yeah  
your love enough, yeah  
is your love enough  
or tell me tell me tell me

(??)

what language to laugh in  
what language to cry in  
what language to dance in  
make romance in  
what language to make love in  
or pray to the above in

What language are your fears

What language are your tears

Believe in coexistence
