## Michael George, I Want Your Sex (Part 2)

Oh so much love That you've never seen Let's make love Put your trust in me

Don't you listen to what they told you Because I love you Let me hold you Oh

I'm not your brother I'm not your father Oh will you ever change your mind I'm a gentle lover with a heart of gold But baby you've been so unkind...oh

Come on I want your sex Come on, I want your sex That's right, all night Oh, I want your sex I want your...sex

Sexy baby's
(Sexy baby's)
Sexy body
(Sexy body)
Keeps me guessing
With a promise
I know we can come together
But the question is
Will we ever?

Together - you and me (return to top)
