

# Michael Jackson, Ben

Ben, the two of us need look no more  
We both found what we were looking for  
With a friend to call my own  
Ill never be alone  
And you my friend will see  
Youve got a friend in me  
(youve got a friend in me)

Ben, youre always running here and there  
(here and there)  
You feel youre not wanted anywhere  
(anywhere)  
If you ever look behind  
And dont like what you find  
Theres something you should know  
Youve got a place to go  
(youve got a place to go)

I used to say, "i" and "me"  
Now its "us", now its "we"  
(I used to say, "i" and "me")  
(now its "us", now its "we")

Ben, most people would turn you away  
I dont listen to a word they say  
They dont see you as I do  
I wish they would try to  
Im sure theyd think again  
If they had a friend like ben  
(a friend)  
Like ben  
(like ben)  
Like ben
