

# Michael Jackson, Butterflies

All you gotta do is just walk away and pass me by  
Don't acknowledge my smile when I try to say hello to you, yeah  
And all you gotta do is not answer my calls when  
I'm trying to get through  
To keep me wondering why, when all I can do is sigh  
I just wanna touch you

[Chorus]  
I just wanna touch and kiss  
And I wish that I could be with you tonight  
You give me butterflies inside, inside and I

All I gotta say is that I must be dreaming, can't be real  
You're not here with me, still I can feel you near me  
I caress you, let you taste us, just so blissful listen  
I would give you anything baby, just make my dreams come true  
Oh baby you give me butterflies

[Chorus]  
I just wanna touch and kiss  
And I wish that I could be with you tonight  
You give me butterflies inside, inside and I  
I just wanna touch and kiss  
And I wish that I could be with you tonight  
You give me butterflies inside, inside and I

If you would take my hand, baby I would show you  
Guide you to the light babe  
If you would be my love, baby I will love you, love you  
'Til the end of time

[Chorus]  
I just wanna touch and kiss  
And I wish that I could be with you tonight  
You give me butterflies inside, inside and I  
I just wanna touch and kiss  
And I wish that I could be with you tonight  
You give me butterflies inside, inside and I  
I just wanna touch and kiss  
And I wish that I could be with you tonight  
You give me butterflies inside, inside and I
