Michael Jackson, Girl don't take you're love from

No, no
No, no
Foolish of me
I couldnt see the forest for the trees
Youve been so true
Ive been so cruel to you
Oh, girl, please dont leave me
If you stay
Ill find a way to erase the past
Baby, dont leave me
Girl, dont take your love from me
Oh, girl
What can I say to make you stay
Baby, dont leave me
Youve been so kind
It blows my mind to know
Oh, girl, I really hurt you
Tell me girl, its not too late
And youll give me a chance
To make it up to you
Dont take your love from me
Girl, dont take your love
No, no, no, no
Dont take your love
Girl, if you take your love away from me
Im gonna be in misery
How will I make when its gone
Of all the little things I wanted to say
I really wanted to do
Girl, this time
Oh, girl, I really mean it
So tell me, girl, its not too late
And youll give me a chance
To make it up to you
Dont take your love from me
Girl, dont take your love
Dont take your love
Dont leave me, girl
Dont take your love from me
Baby, dont take your love from me
Dont take your love from me
