

Michael Jackson, Heartbraker

Deceitful eyes, she's got those come get thighs
She only knows how low that she can go
She speaks the lines that can control my mind
Wherever she goes I know my eyes follow
She blew a kiss, I swear that it was meant
Only for me, that spoke with her body
Her only goal is just to take control
And I can't believe that I can't tell her no

CHORUS

That girl I can't take her
Should have known she was a heartbraker
That girl I can't take her
Should have seen right through her she's a heartbraker
That girl I can't take her
Should have seen it coming heartnraker
That girl I can't take her
Should have seen right through her
She's a heartbraker
She plays a game with such an innocent face
I didn't know heartbraking was her case
Her actions confess and put me through the test
I was surprised that I was caught inside
Now she's thinking that I will never know
And she'll keep playing until I let her go
But I hope in time that she will finally realize
I'm onto her game and she'll get played the same

CHORUS x2

I never thought that I would stop dreamin' about you
Stop being without you
But everyone told me so, to stop caring about you
And start being without you
But I'll find a way to go and start doin' without you
And stop talkin' about you
And what will she say?
She will say I was man that got away
