

# Michael Jackson, Heartbraker

Deceitful eyes, she's got those come get thights  
She only knows how low that she can go  
She speaks the lines that can control my mind  
Wherever she goes I know my eyes follow  
She blew a kiss, I swear that it was meant  
Only for me, that spoke with her body  
Her only goal is just to take control  
And I can't believe that I can't tell her no

CHORUS

That girl I can't take her  
Should have known she was a heartbraker  
That girl I can't take her  
Should have seen right through her she's a heartbraker  
That girl I can't take her  
Should have seen it coming heartnraker  
That girl I can't take her  
Should have seen right through her  
She's a heartbraker  
She plays a game with such an innocent face  
I didn't know heartbraking was her case  
Her actions confess and put me through the test  
I was surprised that I was caught inside  
Now she's thinking that I will never know  
And she'll keep playing until I let her go  
But I hope in time that she will finally realize  
I'm onto her game and she'll get played the same

CHORUS x2

I never thought that I would stop dreamin' about you  
Stop being without you  
But everyone told me so, to stop caring about you  
And start being without you  
But I'll find a way to go and start doin' without you  
And stop talkin' about you  
And what will she say?  
She will say I was man that got away
