

# Michael Jackson, It Is Scary

There's a ghost down in the hall  
There's a ghoul beneath the bed  
Now it's coming through the walls  
Now it's coming up the stairs  
There's a spirit in the dark  
Hear the beating of his heart  
Can you feel it in the air  
Ghosts be hiding everywhere  
I'm gonna be  
Exactly what you wanna see  
It's you who's taunting me  
Because you're wanting me  
To be the stranger  
In the night  
Am I amusing you  
But just confusing me  
Am I the beast  
You visualized  
And if you wanna see  
Eccentric oddities  
I'll be grotesque  
Before your eye  
Let them all materialize  
Is that scary for you baby  
Am I scary for you oh boy  
Is it scary for you baby  
Is it scary for you  
You know the stranger is you  
Is it scary for you baby  
There's a creaking in the floor  
There's a creak behind the door  
There's a rocking in the chair  
But nobody's sitting there  
There's a ghastly smell around  
But nobody to be found  
And a coffin inlay open  
Where restless soul's spoke  
I'm gonna be  
Exactly what you gonna see  
So did you come to me  
To see your fantasies  
Performed before  
Your very eyes  
A haunting ghostly treat  
The ghoulish trickery  
And spirits dancing  
In the night  
But if you came to see  
The truth the purity  
It's here inside  
A lonely heart  
So let the performance start  
Is that scary for you baby  
Am I scary for you oh boy  
Am I scary for you baby  
Am I scary for you oh boy  
So tell me  
Is it scary for you baby  
Tell me  
So tell me  
Is that realism for you big baby  
Am I scary for you  
You know the stranger is you  
Am I scary for you

Masquerade the heart  
Is the height of hurting souls  
Just not what you see of me  
Can hardly reveal the proof  
Like a mirror reveals the truth  
See the evil one is you  
Is that scary for you big baby  
Am I scary for you oh boy  
Am I scary for you baby  
Am I scary for you oh boy  
So tell me  
Am I scary for you baby  
Am I scary for you baby  
Is it scary for you baby  
Am I scary for you oh boy  
Wanna talk about  
I wanna talk about  
I don't wanna talk about  
Wanna talk about  
Am I scary for you baby  
Is it scary for you baby  
I'm tired of being abused  
You know you're scaring me too  
I see the evil is you  
Is it scary for you baby boy
