

Michael Jackson & Jackson 5, Mama's Pearl

You send cold chills up and down my spine
We kiss for thrill then you draw the line, oh baby
Cause your mama told you that love aint right
But dont you know good lovin is the spice of life, yeah

Mamas pearl
Let down those curls
Wont you give my love a whirl
Find what you been missin
Ooh ooh, now baby, goody girl
Let down those curls
Let me give your heart a twirl
Dont keep me wishin

You want my lovin
Yes, you do, do, do
(Yes you do, I know that you do)
You know my lovin is true, true, true
Now baby
But your conscience tells you that love is wrong
But just a little lovin never hurt no one

Mamas pearl
Let down those curls
Wont you give my love a whirl
Find what you been missin
Ooh ooh, now baby, goody girl
Let down those curls
Let me give your heart a twirl
Dont keep me wishin

Girl dont be afraid
Oh weve got the first step made
Oh, the rest is up to you
Here is what to do
Let yourself go
let yourself just oo, now now no
Let your lovin go, now, now, now
Just give it to me
Cause Ive got what you need
Got what you need

Lets fall in love
Lets fall in love
And find out what youre missin

Goody girl let down your curls
Let me give your heart a twirl
Why dont you give my love a whirl
Girl, dont be afraid
Oh, weve got the first step made
Ooh, just give in, just give in to me
Cause I got what you need
Got what you need
Lets fall in love
Lets fall in love
Let yourself go
