

# Michael Jackson, Lonely Teardrops

Lonely teardrops, my pillow never dries  
Lonely teardrops, come home, come home  
Just say you will, just say you will, say you will  
My heart is cryin', cryin'

Just give me another chance for a romance  
Come on and tell me when do you return  
'Cause everybody that you been gone away  
You know my heart does nothin' but burn, cry

Lonely teardrops, my pillow never dries  
Lonely teardrops, come home, come home  
Just say you will, just say you will, say you will  
My heart is cryin', cryin'
