Michael Jackson, One More Chance

Uh huh alright
This time gonna do my best to make it right
Can't go on without you by my side
Hold on
Shelter come and rescue me out of this storm
And out of this cold I need someone
Oh why oh why why
If you see her
tell her this from me
All I need is

One more chance at love One more chance at love (One more)
One more chance at love One more chance at love (See)
(One more)
One more chance at love One more chance at love (One more)
One more chance at love (Alright)
One more chance at love

Searching for that one who is going to make me whole Help me make these mysteries unfold Hold on Lightning about to strike in rain only on me Hurt so bad sometimes it's hard to breathe Oh why why If you see her Tell her this from me All I need is

One more chance at love One more chance at love (One more)
One more chance at love One more chance at love (One more chance for love)
One more chance at love One more chance at love (One more)
One more chance at love One more chance at love

And I would walk around this world to find her And I don't care what it takes no Why I'd sail the seven seas to be near her And if you happen to see her See tell her this from me

One more chance at love (Yeah, Yeah)
One more chance at love (Tell her this from me)
One more chance at love (Yeah, Yeah)
One more chance at love One more chance at love One more chance at love (Lovin' you)

One more chance at love (I can't find) One more chance at love (Lovin' you) One more chance at love (Yeah one more) One more chance at love One more chance at love (For love) One more chance at love One more chance at love (Yeah I can't stop) One more chance at love One more chance at love (Lovin' you) One more chance at love One more chance at love (I can't stop) One more chance at love (Lovin' you) (Aaow) One more chance at love (I can't stop) One more chance at love
