

# Michael Jackson, Planet Earth

Planet Earth, my home, my place  
A capricious anomaly in the sea of space  
Planet Earth are you just  
Floating by, a cloud of dust  
A minor globe, about to bust  
A piece of metal bound to rust  
A speck of matter in a mindless void  
A lonely spaceship, a large asteroid  
Cold as a rock without a hue  
Held together with a bit of glue  
Something tells me this isn't true  
You are my sweetheart soft and blue  
Do you care, have you a part  
In the deepest emotions of my own heart  
Tender with breezes caressing and whole  
Alive with music, haunting my soul.  
In my veins I've felt the mystery  
Of corridors of time, books of history  
Life songs of ages throbbing in my blood  
Have danced the rhythm of the tide and flood  
Your misty clouds, your electric storm  
Were turbulent tempests in my own form  
I've licked the salt, the bitter, the sweet  
Of every encounter, of passion, of heat  
Your riotous color, your fragrance, your taste  
Have thrilled my senses beyond all haste  
In your beauty, I've known the how  
Of timeless bliss, this moment of now  
Planet Earth are you just  
Floating by, a cloud of dust  
A minor globe, about to bust  
A piece of metal bound to rust  
A speck of matter in a mindless void  
A lonely spaceship, a large asteroid  
Cold as a rock without a hue  
Held together with a bit of glue  
Something tells me this isn't true  
You are my sweetheart gentle and blue  
Do you care, have you a part  
In the deepest emotions of my own heart  
Tender with breezes caressing and whole  
Alive with music, haunting my soul.  
Planet Earth, gentle and blue  
With all my heart, I love you.
