

# Michael Johnson, This Night Won't Last Forever

Everybody likes a celebration ... happy music and conversation,  
But I'd be lyin' if I said I didn't have the blues.  
In the corner there's a couple dancin' ... from the kitchen I can hear her laughin',  
Oh I - wish I was celebratin' too.

Chorus:

I know this night won't last forever,  
I know the sun's gonna shine sometime,  
I need some hope for a bright tomorrow,  
To show this heart is gonna mend just fine.

So pardon me for my disposition ... wish I didn't have to sit and listen,  
She's playin' the same old songs on the stereo,  
She's been lyin' since the day I met her ... I'd be better off to just forget her,  
Oh I - would rather be lonesome or go.

Chorus:

I know this night won't last forever,  
I know the sun's gonna shine sometime.  
I need some hope for a bright tomorrow,  
To show this heart is gonna mend just fine.

Bridge:

Such a ridiculous situation ..... pretending there's nothing wrong,  
She's comin' on with the invitation ..... I wonder who is takin' her home.

Chorus:

I know this night won't last forever,  
I know the sun's gonna shine sometime,  
I need some hope for a bright tomorrow,  
To show this heart is gonna mend just fine.  
(repeat and fade)
