Michael Kiwanuka, Cold Little Heart

Did you ever want it Did you want it bad It tears me apart Did you ever fight it? All of the pain So much power Running through my veins Bleeding, I'm bleeding My cold little heart I,I can't stand myself

And I know In my heart In this cold heart I can live or I can die I believe if I just try You believe in you and I In you and I /3x

Did you ever notice I've been ashamed All my life I've been playing games We can try and hide it It's all the same I've been losing you One day at a time Bleeding, I'm bleeding My cold little heart I,I can't stand myself

And I know In my heart In this cold heart I can live or I can die I believe if I just try You believe in you and I In you and I /3x
