

# MICHAEL PATRICK KELLY, Beautiful Madness

there's no the line on your horizon  
you're like a lion and a lamb  
is it a tragedy or triumph?  
you're so good it's sick

why did you swallow down my poison  
no I'm your number one fan  
naked on a desert island  
you're so good it's sick

and it feels like a beautiful madness  
feels like never enough  
don't you know that you are the baddest  
ma luv /3x  
yeah, it feels like a beautiful madness  
I just can't get enough  
don't you know that you're leaving me breathless  
ma luv /3x  
oh what a beautiful madness /2x

no we don't care about the cash flow  
we gotta another kinda gold  
we keep it hot , no tabasco  
no sleep /2x

plenty sharks in the ocean  
but we still dive deep  
come and take a sip of the potion  
no sleep /2x

and it feels like a beautiful madness  
feels like never enough  
don't you know that you are the baddest  
ma luv /3x  
yeah, it feels like a beautiful madness  
I just can't get enough  
don't you know that you're leaving me breathless  
ma luv /3x  
oh what a beautiful madness /2x
