

MICHAEL PATRICK KELLY, Blurry Eyes

I can see a thousand doubts
Written on your face right now
Your reflection fading in and out
Lately it's been getting you down

You tell me you're ok., but your
Voice don't match the words you said
I hate that you're pushing me away
Fighting so hard to take a breath, so...

Love - when the river runs dry
It's hard to see through blurry eyes
Don't say you're not strong enough
To let me love you
Just the way you are
Love - when the river runs high
It's hard for me to watch you cry
Don't say you're not strong enough
To let me love you
Just the way you are

So distant when you're next to me
Hiding all I wanna see
The silence in the air we breathe
Echoing so hopelessly

I called you yesterday and your voice
Didn't match the words you said
I hate, you keep pushing me away
Fighting so hard not to break, so...

Love - when the river runs dry
It's hard to see through blurry eyes
Don't say you're not strong enough
To let me love you
Just the way you are
Love - when the river runs high
It's hard for me to watch you cry
Don't say you're not strong enough
To let me love you
Just the way you are

All through the highs and the lows
When you were drowning in shallow waters
I held you close
When you feel all alone
And it's weighing heavy on your shoulders
I hope you'll know

Love - when the river runs dry
It's hard to see through blurry eyes
Don't say you're not strong enough
To let me love you
Just the way you are
Love - when the river runs high
It's hard for me to watch you cry
Don't say you're not strong enough
To let me love you
Just the way you are
