What about demons in your head?
They just come at night, and scare you from inside
Deep inside, baby

Smell of sins that you want to forget

Gluttony
Envy
Sloth (Our demons)
I'm your demon, I'm your demon

Kill your consciousness, close your eyes

Baby, don't give up, there's life inside
Now it's time to rise, rise and shine
Find the part you lost on the other side

Our demons
Our demons
Our demons
Our demons, baby

Pride
Greed
Lust
Our demons (Wrath)
Gluttony
Envy
Sloth (Our demons)
I'm your demon, I'm your demon
I'm your demon, I'm your
