

Michael W. Smith, I Am Love

I am not passers by
I am not a white lie
I am not left to die
I am love, I am love

I am not feeling sad
I am not the new fad
I am not quickly mad
I am love, I am love

(Chorus Part 1)
You can try to hide
You can try to run
But You'll never run far enough
This is my flesh, this is my blood
And I am love

(Chorus Part 2)
You can fly up high
You can dig down deep
You can flee to the west
You can flee to the east
But you can't escape what I've done
'Cause I am love

I am not standing by
I am not letting go
I am not leaving you
I am love, I am love

(Repeat entire chorus once, Repeat Pt 1 after repeat)

I am love
My blood fell like rain
I did not bleed in vain
But from my veins
I am love
