

# Michał Łapaj, Flying Blind (feat. Mick Moss)

Are you there?  
Do you hear me?  
Can you, please, just make a sound  
We both know  
It's so easy  
Indifference don't make you tough

And we're still lost in what's left unsaid  
I fall behind  
All these nameless things  
They leave me exposed

Are you there?  
Do you hear me?  
Is this a game we've lost?  
We're running around an endless void  
We both know we'll never cross

And we're still lost in what's left unsaid  
I fall behind  
All these nameless things  
They leave me exposed
