

# Michał Szpak, Dreamer (Thanks To You My Friends)

this is a story about a girl  
she was a dreamer  
she always said: don't look back  
the pain is over  
no one knows, where she's now  
thanks to her, I moved on

this is a story about a boy  
he was a dreamer  
he always said: by yourself, no matter what  
no one knows, where he's now  
thanks to him I don't drown

now, I am stronger  
not alone, no longer  
I do not feel fear  
I follow my dreams  
stronger and like no other  
no, no noise  
no drama  
I believe I can  
thanks to you my friends

this is a story about my myself  
I am a dreamer  
I was lost, lost in time  
so many times  
I look back without fear  
spending time  
on my dreams

now, I am stronger  
not alone, no longer  
I do not feel fear  
I follow my dreams  
stronger and like no other  
no, no noise  
no drama  
I believe I can  
thanks to you my friends

(now, I am stronger  
not alone, no longer  
now, I am stronger  
not alone)

now, I am stronger  
not alone, no longer  
I do not feel fear  
I follow my dreams  
stronger and like no other  
no, no noise  
no drama  
I believe I can  
thanks to you my friends
