

# Michał Szpak, King of the Season

Look at yourself  
what do you see?  
is it still you  
The great King of the Season  
you want more and more  
you're afraid of the trap  
Oh, is it you?

No one can save us  
Who else will give us another chance?  
It is so sad believe we fall  
we don't love  
we don't trust  
No one can save us

Look at yourself  
what do you see  
lonely King of the Season  
no one will look after you  
no one will cry  
do you know  
do you know  
the real reason?

No one can save us  
Who else will give us another chance?  
It is so sad believe we fall  
we don't love  
we don't trust  
No one can save us  
Who else will give us another chance?  
It is so sad believe we fall  
we don't love  
we don't trust  
No one can save us

No one can save us  
(save us, save us)  
No one can save us  
Who will give us another, another chance  
Another Chance?
