

Michał Szpak, Rainbow

so many promises
every day, every night
and I wonder why?
you give me so much

it's so beautiful when you call my name
I'm falling down
you are saving me once again

rainbow in your eyes
we are
all colors in one
what a beautiful day /2x
you're a rainbow
the Sun after rain
you're like the Sun after rain

I have so many doubts
I fight with myself sometimes
you save me every time
you give me so much

it's so beautiful
I am not afraid anymore
I'm falling down
you are saving me

rainbow in your eyes
we are
all colors in one
what a beautiful day /2x
you're a rainbow
the Sun after rain
you're like the Sun after rain
