

# Michał Szpak, Rainbow

so many promises  
every day, every night  
and I wonder why?  
you give me so much

it's so beautiful when you call my name  
I'm falling down  
you are saving me once again

rainbow in your eyes  
we are  
all colors in one  
what a beautiful day /2x  
you're a rainbow  
the Sun after rain  
you're like the Sun after rain

I have so many doubts  
I fight with myself sometimes  
you save me every time  
you give me so much

it's so beautiful  
I am not afraid anymore  
I'm falling down  
you are saving me

rainbow in your eyes  
we are  
all colors in one  
what a beautiful day /2x  
you're a rainbow  
the Sun after rain  
you're like the Sun after rain
