Jeanny, Jeanny  
Seven years ago, a każdy dzień jak wieczność  
Ale to była miłość od pierwszego spojrzenia, w oczy, sobie  
Definitywny brak logiki  
My razem a cały świat przeciwko  
Skazaliście mnie, skazaliście nas i siebie zarazem  
Lecz to chyba nie koniec? Jeanny?  
Coming home, I'm, I'm coming home  
Let me show you who I am  
Let me show you I'm your man  
I would give anything just to see you again  
Coming home, I'm, I'm coming home  
Let me show you that I care  
Let me show you that I share  
I would give anything to see Jeanny again  
Coming home  
Ej, zmieniłaś się, my się zmieniliśmy  
Siła woli nas zmieniła  
Bezpieka nad emocjami, silniejszymi od wariacji  
Raz i na zawsze, aż do śmierci  
Wyższość władzy nad szczerością  
Dziecko, bądź wdzięczna skarbie  
Ja już wracam do domu  
Coming home, I'm, I'm coming home  
Let me show you who I am  
Let me show you I'm your man  
I would give anything just to see you again  
Coming home, I'm, I'm coming home  
Let me show you that I care  
Let me show you that I share  
I would give anything to see Jeanny again  
Coming home, home  
Kim jest facet bez twarzy  
Kochający ją inaczej gdy ona nie chce?  
Kim jest kobieta bez sumienia nie

Kochająca a jednak pragnąca inności?  
Czy to naprawdę tak wygląda ludzkie zachowanie?  
Coming home  
Yeah he's coming home  
She's never, never die  
Never never fade away  
Coming home  
Yeah he's coming home  
She's never, never die  
Never never fade away  
Coming home  
Yeah he's coming home  
She's never, never die  
Never never fade away  
Coming home  
Yeah he's coming home  
She's never, never die  
Never fade away  
Coming home, I'm, I'm coming home  
Let me show you who I am  
Let me show you I'm your man  
I would give anything just to see you again  
Coming home, I'm, I'm coming home  
Let me show you that I care  
Let me show you that I share  
I would give anything to see Jeanny again  
Coming home, I'm, I'm coming home  
Let me show you who I am  
Let me show you I'm your man  
I would give anything just to see you again  
Coming home, I'm, I'm coming home  
Let me show you that I care  
Let me show you that I share  
I would give anything to see Jeanny again  
Coming home
