

Michelle Williams, Sun Will Shine Again

The situation don't look good
I know you'd change it if you could
The sun will shine again
The trouble is all in your mind
Don't run away, give it time
'Cause sun will shine again

We all have times when we cry
Where the healing flows from our eyes
But after the pouring rain
We know that the sun will shine again

The sun will shine again
This is not the way it will end
The sun will shine again
The night will move away
And joy will come rest and stay (yes it will)
The sun will shine again

There still some ray of hope
'Cause God is in control
Hold your hand on mine, friend
I'm telling you the sun will shine again

The sun will shine again (ooh ooh ooh ooh)
This is not the way it will end (it's not the way it will end)
The sun will shine again (ooh ooh ooh ooh ooh)
The night will move away (night will move away)
And joy will come rest and stay (joy will come, you know it'll come)
The sun will shine again (the sun will shine again)

Ooh ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
Keep the faith
Don't give up and don't give in
Yeah yeah oh ooh oh oh oh

The sun will shine again (oh oh oh oh)
This is not the way it will end (it's not the way it will end)
The sun will shine again (yes it will)
The night will move away (the night's gonna move away)
And joy will come rest and stay (the joy will come yeah)
The sun will shine again (the sun will shine, shine again)

The sun will shine again (ooh ooh ooh)
This is not the way it will end
The sun will shine again (no no no)
(the sun will shine again)
The sun will shine again

So don't you worry
It's gonna be ok
Yes it will
(The sun will shine again)
The sun will shine again (the sun will shine again)
The sun will shine again

Just believe it
Believe
The sun will shine again
The sun will shine again

So hold your head up

Don't give up and don't give in, no
The sun will shine again

It might take a little while
But hold on
This is not the way (is not the way 'll end)
It will end
The sun will shine again
The sun will shine again
Ooh ooh ooh ooh ooh ooh ooh

The sun will shine again
Yeah...
