

# Mick Jagger with Dave Grohl, EAZY SLEAZY

We took in on th echin  
The numbers were so grim  
Bossed around by pricks  
Stiffen upper lips  
Pacing in the ywar  
You're trying to ttake the mick  
You must think i am really thick

Looking at the graphs  
With a magnifying glass  
Cancel all the tours  
Football fake applause  
No more travel brochures  
Virtual premieres  
I've got nothing left to wear\*
