

# Miglo, Forgive me

Can we try again to  
Start a new and  
Lovely story that will  
Shine a ray of light  
upon your hearts  
And bring back  
Long-lost glory  
Of how it used to be,  
Baby you and me  
Convinced we  
Were each others destiny  
My heart cries out to you  
You must forgive me  
I been dancing in the dark  
Been searching for a spark  
A fires still burning  
I believe well make it through  
If you stand by me  
We can weather any storm  
And keep each other warm  
As long as theres love  
Every time I think of us  
My eyes are filled with tears to think that  
I give in to sweet temptation  
These words like music to my ears  
I hope its not too late  
And that you still can wait  
It appears to me that your still  
Heavens fate  
My heart cries out to you  
You must forgive me  
I been dancing in the dark  
Been searching for a spark  
A fires still burning  
I believe well make it through  
If you stand by me  
We can weather any storm  
And keep each other warm  
As long as theres love  
Baby is not mine  
And if I could  
Id alter the hands of time  
Oh and my hope rides out to you  
You must forgive me  
I been dancing in the dark  
Searching for a spark  
I believe well make it through  
If you stand by me  
We can weather any storm  
And keep each other warm  
As long as theres love  
Never enough love
