

# Migos, Bando To Mansion

I fell asleep in the bando then I woke up in the mansion  
Still trapping out the house I'm selling Marilyn Manson  
Still wrapping the plastics, Money stretching elastic  
Mama told me when I grow up boy don't be like your Daddy

Finessing the plug with magic  
I took the strippers in magic  
Seeing Grandma in the casket  
It turned me out to a savage  
I'm a continue the dabbin'

Remember the days finessing the plug and runnin' the plays like madden  
Now I'm overseas Milan and China meet with the plug named dragon
