

Migos, Need It (ft. YoungBoy Never Broke Again)

Let's go
Surrounded by sme real niggas
Hey
Yes sir!
they won't do it
Buddah bless this boat

I said i need it
Thos Draco undefeated
Hit your block
And then i bleed it
Go long
These bullets
He receive it
I can't see it
I can't
My wrist look like a snow cone
Make her eat it

Once i see her
I give her that dope dick just like it's ether
Then i leave her
I can't get caught up
I can't be one Cheaters
