

# Miguel Bose, What Do Ya Say

I spend my day doing nine to five, tadadada  
Just gotta work to keep me alive, tadadada  
Can't stand the strain it's putting on me, tadadada  
It's not exactly where I should be... I know it!

“(Chorus)”

What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?  
What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya, do ya, do ya, do ya, do ya say?

When I get home I'm a different me, tadadada  
Play guitar 'till it's nearly three, tadadada  
I hope some day I can show them all, tadadada  
That I'm a star and I won't fall... I know it!

“(Repeat chorus x2)”

I met a guy that was telling me, tadadada  
Don't worry kid, just stick with me, tadadada  
I'll steer you right and manage you, tadadada  
I know exactly what to do... I know it!

“(Repeat chorus x2)”

Done a few gigs and I'm doing fine, tadadada  
All that I want will soon be mine, tadadada  
Now I'm exactly where I should be, tadadada  
I am a star and I feel free... I know it!

“(Repeat chorus)”

I know it!  
What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?  
What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?

“(Repeat chorus)”

What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?  
What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?  
What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?  
What do ya, do ya, do ya, do ya, do ya, do ya say?  
What do ya, do ya - what are you sayin' to me?
