

Mika Urbaniak, In My Dreams

Ref:

In my dreams I fly,
In my dreams you are mine,
Come with me through open doors.
Like the sun and moon
We can dance 'till noon,
Hold my hand - I'm yours!

1.

The boy they talked about,
I knew him, I knew his heart.
They liked to laugh at him,
But I felt this like right from the start.
When the boy walked,
He always walked alone.
Not a school yard or classroom,
No one was never home.
I had a love for him
And never said a thing.
How would it happen
If I had told him

Ref: (x2)

In my dreams I fly,
In my dreams you are mine,
Come with me through open doors.
Like the sun and moon
We can dance 'till noon,
Hold my hand - I'm yours!

2.

He had shining eyes
Nobody ever saw,
When we would fight with him
He always fought so smart.
He gave his gifts
How could we not see
He had the kind of love
That gives itself eternally
I had a love for him
And never said a thing.
How would it happen
If I had told him

In my dreams you are mine,
Come with me through open doors.
Like the sun and moon
We can dance 'till noon,
Hold my hand - I'm yours!

Bridge:

How could people treat a boy
Like he was invisible?
How could they not know
That life and love are indivisible?

In my dreams I fly,
In my dreams you are mine,
Come with me through open doors.
Like the sun and moon
We can dance 'till noon,
Hold my hand - I'm yours!
