Mika Urbaniak, LET'S PRETEND

Let's Pretend that's It's not over Let's Pretend That you're still here Coz your memory It's so hurt me I feel your ... beside me Now I know it had to end

Won't you stay a little longer Won't you stay for just one night It's no trouble Don't you worry You know I not in a hurry Every day it's all right

Every time I look at you
I thing it's gonna be ok.
What can I do when in ...
Things stop to going straight
I'm so sick and tired of a single thing
I broken and ...
I just wanna chat
Have a good time
To the rhythm of
