

# Mika Urbaniak, Pixelated

I want to touch you but I can't  
Now my connection's breaking down  
It's just a pixelated screen  
The modern world reality

It seems it has no rhyme or reason  
But I need something to believe in  
don't want this new technology  
all I want is you and me

I wanna to touch ya  
I really really wanna touch ya  
But if I touch ya  
It might not be enough to touch ya  
Don't want no cyber no electronic wi fi lova  
I wanna to touch ya I wanna to touch ya

My keyboard has replaced my pen  
No more love letters I will send  
Emotions are reduced to text  
And now I'm wondering what's next

It seems it has no rhyme or reason  
But I need something to believe in  
don't want this new technology  
all I want is you and me

I wanna to touch ya  
I really really wanna touch ya  
But if I touch ya  
It might not be enough to touch ya  
Don't want no cyber no electronic wi fi lova  
I wanna to touch ya I wanna to touch ya

My modem broke and it ain't no joke  
And the neighbor's stealing my broadband time  
My server disconnected and I'm feeling so rejected  
'Cause it wasn't what I had in mind

I wanna to touch ya  
I really really wanna touch ya  
But if I touch ya  
It might not be enough to touch ya  
Don't want no cyber no electronic wi fi lova  
I wanna to touch ya I wanna to touch ya

I want to touch you but I can't  
Now my connection's breaking down  
It's just a pixelated screen  
The modern world reality

It seems it has no rhyme or reason  
But I need something to believe in  
don't want this new technology  
all I want is you and me

I wanna to touch ya  
I really really wanna touch ya  
But if I touch ya  
It might not be enough to touch ya  
Don't want no cyber no electronic wi fi lova  
I wanna to touch ya I wanna to touch ya
