

# Mike Doughty, More Bacon Than The Pan Can Handle

Fugitives on the galleons, I go:  
more bacon than the pan can handle  
Emperors and the salamanders:  
more bacon than the pan can handle  
Nuggets and the heliotropes, I go:  
more bacon than the pan can handle  
Party games and ocean liners:  
more bacon than the pan can handle

Utility man  
Porquoi  
Utility man  
Chocolate bar

State of grace and the ginger root, I go:  
more bacon than the pan can handle  
Motionless and the circumstances  
more bacon than the pan can handle  
Overland and the easternmost, I go:  
more bacon than the pan can handle  
Hoop skirts and the bubbly strangers:  
more bacon than the pan can handle

Yeah yeah yeah yeah yeah yeah yeah

There's a little give to it, mmm,  
there's a little give to it

Better the devil you know.  
Better the devil you know.
