

Mike Doughty, Navigating By The Stars At Night

Live on the fat man's dime
stevedores
bear the chair you ride □
Show mussa a girl(?)
show the ghost to me
your ornaments
and gimcrackery

navigating by the stars at night, na na na na
navigating by the stars at night

you make your bones
in these dicty(?) verbs/burbs
gritty days
they mock the words you slur
lemonade, coats on balconies
kick and lain(?)
strange birds in the trees

navigating by the stars at night
navigating by the stars at night, na na na na
navigating by the stars at night
navigating by the stars at night

medicating in the minivan
medicating in the minivan, ma ma ma ma
medicating in the minivan
medicating in the minivan
□
ah ah ah ah

navigating by the stars at night
navigating by the stars at night, na na na na
navigating by the stars at night
navigating by the stars at night

The road the road alone
the road alone (4x)
