I have  
The pop song on the five, but she's never gonna come back down  
To grab  
The t-shirt off the line, but she's never gonna come back down  
I think she's murderously sly, but she's never gonna come back downwwwwwwwwn  
And she's never gonna come back down,  
And she's never gonna come back down,  
And she's never gonna come back down,  
And she's never gonna come back Downwwnnn,
