Five percent tint so you can't see up in my window  
Niggaz, niggaz don't understand me 'cause I'm Boss Hogg candy, candy  
Top down Maxi's, mixi's wit a big glock nine handy  
Pieced, pieces up creased up staying dressed to impress  
Big boss belt buckle under my Mitchell and Ness  
Oh, Gucci shades up on my brades when I Escalade  
When I'm riding Sprewells sliding like a escapade  
I got it made the big boss of the north  
Shit, shit changed I still represent Swisha House (Ha!)

[Verse 2: Paul Wall]

What it do it's Paul Wall I'm the people's champ  
My chain light up like a lamp 'cause now I'm back with the camp  
I'm crawling similar to a ant 'cause I'm low to the earth  
People's feelings get hurt when they figure out what I'm worth  
I got eighty fo's poking out at the club I'm showing out  
I'm a player ain't no doubt hoes want to know what I'm bout  
Biggest diamonds off in my mouth princess cuts all in my chain  
Wood grain all in my range dripping stains when I switch lanes  
Switched the name It's still the same Swisha House or Swisha Blast  
Mike Jones he running the game and Magnificent bout his cash  
Michael Watts he made me hot hard work took me to the top  
G. Dash took me to the lot he wrote a check and bought a drop  
I got the internet going nuts  
But T. Farris got my back so now I'm holding my nuts  
It's Paul Wall baby what you know bout me  
I'm only five nine Southle baby holla at me

[Verse 3: Mike Jones]

Four Fours I'm tippin'  
Wood grain I'm gripping

Like do or die I'm pour pimping Car stop rims keep spinning

I'm flipping drop with invisible tops  
Hoes bop when my drop step out  
I'm shaking the block with four eighteens'  
Candy green with eleven screens  
My gasoline always supreme  
Got do-do the brown with a pint of lean  
It takes grinding to be a king  
It takes grinding to be a king  
First Round Draft Picks coming  
Who is Mike Jones coming  
Slab shining with the grill and woman
