

Mike WiLL Made It, Perfect Pint (ft. Kendrick Lamar)

Gimme some space
2 Styrofoam cups
A pint of some drink
I'm the type of nigga that you meet at the bank
Grade A bitches
Treating me like a saint
This money doing something to my brain
This money doing something to my ego
This drank got me talking like zero
This pills got me feeling like NEO
And this freak in my ear wanna go
I'll turn your crib into a ho house
I'm a rock star, drink till I pass out
Drink till I motherfuc*** pass out
Drink, drink till I motherfuc***
