

Mikky Ekko, Smile

Smile, the worst is yet to come
We'll be lucky if we ever see the sun
Got nowhere to go, We can be here for a while
But the future is forgiving so smile!

We're trying so hard to get it all right
But only feel lonely at the end of the night
Well I wanna be somewhere
Away from this place
Somewhere just a little closer to grace

So, Smile, the worst is yet to come
We'll be lucky if we ever see the sun
Got nowhere to go, We can be here for a while
But the future is forgiving so smile!

Smile!

Call me a loser
Call me a thief
Tell me I'm special when you spit at me
But I won't be lonely
I wanna be loved
And I want you to hold me like I'm the only one

Ah, Smile, the worst is yet to come
We'll be lucky if we ever see the sun
Got nowhere to go, We can be here for a while
But the future is forgiving so smile!

Smile!
So smile!

Sometime will eventually knock on my door
And tell me I'm not needed around anymore
But you hold me so close at the end of the day
That when I'm quiet I can nearly hear him say

Smile, the worst is yet to come
We'll be lucky if we ever see the sun
Got nowhere to turn, but we got nothing but time
But the future is forever
The future is forever
So smile!

So smile!
So smile!
