

# Miley Cyrus, Full Circle

Ive been in a rut  
Back and forth enough  
Heart like the wheel  
Without you around  
So uncomfortable is how it feels

Every time youre near  
Trouble disappears  
Under the ground  
But when you go too far  
Silver clouds will start hanging around

And I know why  
Try to run  
But I keep on  
Coming back  
Full circle  
And I cant jump the track  
Cant let you go

Tried to once  
So I keep on  
Coming back  
Full circle  
Cause I know youll come around  
Youll come around

Skippin' down a broken path  
How long can I last  
Please let me know  
Wheres the finish line  
Cause Ive got to find somewhere to go

I dont want to hear  
These people interfere  
What do they know  
What I feel inside  
When Im up all night  
Needing you oh

I dont know why  
Tried to run  
But I keep on  
Coming back  
Full circle  
And I cant jump the track  
Cant let you go

Tried to once  
So I keep on  
Coming back  
Full circle  
Cause I know youll come around  
Youll come around

Cause I know youll come around  
Youll come around

I'll keep on runnin  
Til we meet in the middle  
I'll push it right aside  
And I give just a little  
Theres miles to go  
But wait

Dont hold back  
Well make it

And I know why  
Tried to run  
But I keep on  
Coming back  
Full circle  
And I cant jump the track  
Cant let you go

Tried to once  
So I keep on  
Coming back  
Full circle  
Cause I know youll come around  
Youll come around

I know youll come around  
Youll come around

Yeah I know youll come around  
Youll come around
