

Miley Cyrus, Goodbye

I can honestly say
You've been on my mind
Since I woke up today, up today

I look at your photograph all the time
These memories come back to life
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember those simple things
I remember till I cry
But the one thing I wish I'd forget
A memory I wanna forget
Is goodbye

I woke up this morning, and played our song
And through my tears I sang along
I picked up the phone and I put it down
Cause I know I'm wasting my time
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember those simple things
I remember till I cry
But the one thing I wish I'd forget
A memory I wanna forget

And suddenly my cell phone's blowing up
With your ringtone
I hesitate but answer it anyway
You sound so alone
And I'm surprised to hear you say

You remember when we kissed
You still feel it on your lips
That time that you danced with me
With no music playing

You remember those simple things
We talked till we cried
You said that your biggest regret
The one thing you wish I'd forget
Is saying goodbye
Saying goodbye.. huum
Goodbye
