

# Miley Cyrus, If We Were a Movie (Remix)

Uh oh  
There you go again  
Talkin' cinetmatic  
Yeah you!  
Your charming  
You got everybody starstruck  
I know, how you always seem to go  
For the obivous, instead of me  
But get a ticket and you'll see

If we were a movie  
You'd be the right guy  
And I'd be the best friend  
That you'd fall in love with  
In the end  
We'd be laughin'  
Watchin' the sunset  
Fade to black  
Show the names  
Play the happy song (yeah)

yeah,yeah  
When you call me  
I can hear it in you voice  
Oh sure,wanna see me and tell me all about her  
La,La  
I'll be actin' through my tears  
Guess you'll never know  
That I should win an Oscar for this scene I'm in

If we were a movie  
You'd be the right guy  
And I'd be the best friend  
That you'd fall in love with

In the end  
We'd be laughin'  
Watchin' the sunset  
Fade to black  
show the names  
Play the happy song

Wish I could tell you there's a twist  
Some kind of hero in disguise  
And were together,it's for real,now playin'  
Wish I could tell you there's a kiss  
Like somethin' more than in my mind  
I see it  
Could be amazing(could be amazing)

(If we were a movie)If we were a movie  
You'd be the right guy (Right guy)  
And I'd be the best friend  
That you'd fall in love with  
In the end  
We'd be laughin'  
Watchin' the sunset  
Fade to black  
Show the names  
Play the happy song
