

Miley Cyrus, Life's What You Make It

Don't let no small frustration
Ever bring you down, no, no, no, no
Just take a situation
And turn it all around

With a new attitude, everything can change
Make it how you want it to be
Staying mad, why do that? Give yourself a break
Laugh about it and you'll see that

Life's what you make it
So let's make it rock
Life's what you make it
So come on...
Everybody now!

Why be sad, broken hearted?
There's so much to do, yeah, yeah, yeah, yeah
Life is hard or it's a party
The choice is up to you!

With a new attitude, everything can change
Make it how you want it to be
Staying sad, why do that? Give yourself a break
I know you want to party with me

So let's make it rock
Life's what you make it
So come on...
