

# Miley Cyrus, Malibu

I never came to the beach, or stood by the ocean  
I never sat by the shore, under the sun with my feet in the sand  
But you brought me here and I'm happy that you did  
'Cause now I'm as free as birds catching the wind  
I always thought I would sink, so I never swam  
I never went boatin', don't get how they are floatin'  
And sometimes I get so scared of what I can't understand

But here I am, next to you  
The sky's more blue in Malibu  
Next to you in Malibu  
Next to you

We watched the sun go down as we were walking  
I'd spent the rest of my life standing here talking  
You would explain the current, as I try to smile  
Hoping that you'll stay the same, and nothing will change  
And it'll be us, just for a while  
Do we even exist?  
That's when I make the wish, to swim away with the fish  
Is it supposed to be this hot all summer long?  
I never would've believed you if three years ago you told me  
I'd be here writing this song

But here I am, next to you  
The sky is so blue in Malibu  
Next to you in Malibu  
Next to you  
Next to you  
The sky's so blue in Malibu  
Next to you

We are just like the waves that flow back and forth  
Sometimes I feel like I'm drowning  
And you're there to save me  
And I wanna thank you with all of my heart  
It's a brand new start  
A dream come true in Malibu
