## Miley Cyrus & Mark Ronson, Nothing Breaks Like

This world can hurt you It cuts you deep and leaves a scar Things fall apart, but nothing breaks like a heart And nothing breaks like a heart

I heard you on the phone last night We live and die by pretty lies You know it, oh, we both know it These silver bullet cigarettes This burning house, there's nothing left It's smoking, we both know it We got all night to fall in love But just like that we fall apart We're broken, we're broken

Mmm, well nothing, nothing, nothing gon' save us now

Well, there's broken silence By thunder crashing in the dark (Crash in the dark) And this broken record Spin endless circles in the bar (Spin 'round in the bar) This world can hurt you It cuts you deep and leaves a scar Things fall apart, but nothing breaks like a heart Mhmm, and nothing breaks like a heart

We'll leave each other cold as ice And high and dry, the desert wind Is blowin', is blowin' Remember what you said to me? We were drunk in love in Tennessee And I hold it, we both know it

Mmm, nothing, nothing, nothing gon' save us now Nothing, nothing, nothing gon' save us now

Well, there's broken silence By thunder crashing in the dark (Crash in the dark) And this broken record Spin endless circles in the bar (Spin 'round in the bar) This world can hurt you It cuts you deep and leaves a scar Things fall apart, but nothing breaks like a heart Mhmm, and nothing breaks like a heart Nothing breaks like a heart Mhmm, and nothing breaks like a heart

My heart, my heart Nothing, nothing, nothing gon' save us now My heart, my heart Nothing, nothing, nothing gon' save us now

Well, there's broken silence By thunder crashing in the dark (Crash in the dark) And this broken record Spin endless circles in the bar (Spin 'round in the bar) This world can hurt you It cuts you deep and leaves a scar Things fall apart, but nothing breaks like a heart Mhmm, but nothing breaks like a heart But nothing breaks like a heart Mhmm, but nothing breaks like a heart
