

# Miley Cyrus, my future

I can't seem the focus  
And you don't seem to notice  
I am not here  
I am just a mirror

You check your complexion  
Tu find your reflectin's all alone  
I had to go

Can't you hear me?  
I'm not coming home  
Do you understand?  
I've changed my plans

Cause I , I in love with my future  
Can't wait to meet her  
And I I am in love  
But not with anybody else  
Just wanna get to know my soul

I am supposedly I am lonely now  
Now I am supposed to be unhappy without someone  
But aren't I someone  
I'd like to be your answer  
Cause you're so handsome

But I know better  
Than to drive you home  
Cause you'd invite me in  
And i be yours again

But in love with my future  
And you don't know her  
And I, I am in love  
but not with anybody here  
i'll see you in couple years
