

Miley Cyrus, Never Be Me

I know i do this every time
I walk the line, i play with fire
And i stop myslef before the crime
I walk the line, i play with fire

I don't wanna push you way too much
I don't wanna lean that way too far
I don't wanna ever learn the hard way

But if you looking for stable
That'll be never be me
If you're looking for faithful
That'll be never be me
If you're looking for someone to be all that you need
That'll never be me
Hard as i try
That'll never be me
I play with fire

Dry your tears, now don't you cry
I am by your side at least for a while
I know i do this every time
I walk the line, i play with fire

I don't wanna push you way too much
I don't wanna lean that way too far
I don't wanna ever learn the hard way

But if you looking for stable
That'll be never be me
If you're looking for faithful
That'll be never be me
If you're looking for someone to be all that you need
That'll never be me
Hard as i try
That'll never be me
I play with fire
