

Miley Cyrus, Rock Star

Yeah oh oh oh oh oh oh yeah

Sometimes I walk a little faster
In the school hallway
Just to get next to you
Some days I spend a little extra
Time in the morning
Dress to impress you

Guess you don't notice
Guess you don't need this
Sad you're not seein' what you're missin'
On the outside shyin' away
On the inside dyin' to say

I'm unusual
Not so typical
Way too smart to be waiting around
Tai-chi practicing
Snowboard champion
I could fix the flat on your car
I might even be a rock star
I might even be a rock star

Sometimes I wish when the phone rings
That it would be you
Saying "let's hang out"
Then you confess
That there's something special between us
Why don't we find out?

But you don't know me
Guess you don't need me
Why you're not seein' what you're missin'
On the outside shyin' away
On the inside dyin' to say

I'm unusual
Not so typical
Way too smart to be waiting around
Tai-chi practicing
Snowboard champion
I could fix the flat on your car
I might even be a rock star
Rockstar

If you only knew the real me
I might even be a rock star
I'm telling you that we are meant to be
Now wouldn't it be nice if you could see?
That I really am a rock star
Yeah-eah yeah yeah I really am a rock star

A rock star
I'm unusual
Not so typical
Way too smart to be waiting around
Tai-chi practicing
Snowboard champion
I could fix the flat on your car
I might even be a rock star
Yeah I really am a rock star
Cuz I'm really a rock star
I am a rock star
